Subject: Dighton Police Station Project – Project Update Memo

Project Update 2/18/16

Currently the project team is in the process of completing the project plans and specifications for bidding. The Owners Project Manager & Architect are both in the process of their quality control review process of these documents before they go out on the street. The plans and specifications are on track to be complete by the end of February. Concurrently the project team has submitted the final set of site plans to the Planning Board for final review. The presentation of this information will take place at the next Planning Boards meeting on 3/2/16. In the coming week the project team will be advertising the project for bidding in the local newspaper and the state publication, central register. Below please find the critical path schedule we are following at this time;
