ARTICLE X
REMOVAL OF SOIL, LOAM, SAND AND GRAVEL

The removal of sand, gravel, loam or soil from land in Dighton is prohibited until a permit authorizing such removal is issued by the appropriate authority.

No permit shall be issued until a public hearing has been held.

Notice of the hearing is to be published in at least one local newspaper 7 (seven) days prior to the hearing.

Amended (ATM 06/06/05)

All abutters are to be notified by registered or certified mail 7 (seven) days before the hearing.

This by-law is to be administered and managed by a committee called the Soil Conservation Board, consisting of the three Selectmen and four appointees to be appointed by the Selectmen on a yearly basis.

The Soil Conservation Board shall have the authority to establish general rules and regulations and set fees for the mining and removal of sand, gravel, soil, or loam in the Town of Dighton and shall have the authority to place specific conditions on all removal permits that it issues.
